

Spectator Safety Rules

Every possible precaution has been taken to assure the safety and comfort of our spectators. However, there are a few common sense rules all of us must observe to make this a safe and enjoyable sport.

1. **HIGH SPEEDS** and **FLYING DEBRIS CAN BE DANGEROUS** and one condition of your admission to this event is recognition of that fact. The Flatlanders Racing Association assumes NO liability for injury to person or property.
2. **DO NOT STAND AT THE FENCES.** Fences can slow down cars and debris but cannot protect children or adults standing next to them.
3. **PLEASE KEEP CHILDREN UNDER SURVEILLANCE** and control. Explain to them the possible dangers.
4. **NO PORTABLE VIEWING STANDS** of any type are allowed on or near the racing surface.
5. **WE ASK THAT YOU OBEY ALL INSTRUCTIONS** of Flatlanders Speedway Officials and Volunteers. They are working to ensure your safety and enjoyment at the event.
6. **IN CASE OF AN ACCIDENT, PLEASE STAY IN YOUR SEAT.** We have trained track officials who are equipped to handle these situations.
7. **DO NOT WALK ON THE SEATS.** Kindly use the aisles when ascending and descending the stands.
8. **REPORT DIFFICULTIES AND PROBLEMS** as soon as possible to a track official so the problem can be rectified.
9. **PLEASE OBSERVE LOCAL AND FEDERAL LAWS REGARDING DRINKING AND DRIVING.** We want to see you back here for the next event.
10. **AFTER THE RACES, DRIVE DEFENSIVELY AND HAVE A SAFE TRIP HOME.**

Inclement Weather Policy

In the event of inclement weather, we will do our best to call the race one hour before the start time. However, upon completion of the first four heat races, the day will be deemed a complete race day. Rain date passes will not be issued thereafter, though the remainder of the program may be cancelled.
